

**“Let us alleviate human suffering and preserve  
life—not help to destroy it.”**

The pleas of the millions of widowed mothers, the appeals of the fatherless children and orphans and the prayers of the starving thousands of Europe directed to us justifies us, we believe, in making this appeal in the name of humanity and justice.

**We appeal particularly to the American manufacturers and their workmen engaged in manufacturing any of these articles to suspend at once the manufacture of powder and bullets which are being made for the cruel and inhuman purpose of mutilating and destroying humanity.**

We appeal individually to the workmen of such factories, even at the sacrifice of their positions, to go on record as being unalterably opposed to being employed for the purpose of manufacturing ammunition to shatter the bodies and blot out the lives of their own blood relatives.

We ask the American people, therefore, in the name of humanity and a true spirit of neutrality to do everything in their power as individuals and collectively as a nation to influence the manufacturers and workmen in the United States, engaged in the manufacture of powder and bullets for use by any of the warring countries of the world, to end this manufacture, the selling and the shipping of such materials.

**We appeal to you, and every reader, to help us save our brothers abroad from further destruction. Let us Americans rise with courage and decision to our responsibility:**

**THEN, we can insist that Europe heed our demand for peace.**

**Stop your work on powder, shrapnel and cannon.**

**Make your will felt through resolutions of your societies, by appeal to your local press, by action in your churches, by letters to your representatives in public office.**

**Our participation must stop now, and then our influence for justice and righteousness can help end the war.**

**WE** appeal to the American people, to the high-minded and courageous American press, and to the American manufacturer of powder, shrapnel and cartridges, and we appeal to the workmen engaged in

**THE** honor of the American people, the integrity of the nation, the standing of our manufacturers and the patriotism and manhood of the workmen demand that the entire world be shown, once and forever, that

The cost of this advertisement has been voluntarily given in the shape of small contributions by our people, who are actuated by a sense of humanity and justice and a patriotic desire not to have this peace-loving nation directly or indirectly the cause of further loss of life or destruction of property.

**The following is the resolution signed by the publishers authorizing this appeal to the AMERICAN PEOPLE:**

**"We, the publishers of the undersigned newspapers, authorize an appeal to the American people, industries and workmen not to manufacture, sell or ship powder, shrapnel or shot of any kind or description to any of the warring nations of Europe or Japan."**
